

Product Description

Air Tool Oil is indispensable if you're working with compressor-driven tools. It provides superior lubrication while fighting internal component rust. This unique product cleans tools without the use of dangerous solvents.

Features

- Non-toxic, solvent-free, non-hazardous, non-flammable, VOC-free
- Compatible with today's engineered plastics and rubbers

Benefits

- Lubricates
- Protects from rust
- Cleans tools

Applications

- Air impact wrench
- Air ratchet wrench
- Air drill
- Air hammer
- Air sanders
- Air buffers
- Air nailing gun
- Air grinder
- Air jackhammer

Health and Safety

Tufoil Air Tool Oil is a very safe, solvent-free product. Liquid is not classified as hazardous according to OSHA 29 CFR 1910.1200 and WHMIS. Not hazardous under the consumer product safety regulations. See the Safety Data Sheet for additional information.

Storage, Shipping and Handling

Always keep the unused product in the original container, tightly closed. Store in a cool, dry ventilated area. Avoid freezing and excessive heat during storage and shipping. DOT-classified as non-hazardous, can be shipped by air with no shipping restrictions. See the Safety Data Sheet for additional information.
