

Product Description

Tufoil Gun Grease prevents wear and corrosion damage, and aids in cleaning, plus prevents carbon and lead build-up. It is engineered to meet the demanding conditions of hunting, law enforcement, and military environments.

Features

- Protects critical contact and wear surfaces
- Formulated for extremely low temperatures, and does not melt at high temperatures
- Improves cold weather performance
- Excellent moisture and corrosion protection
- Compatible with today's engineered plastics and rubbers.
- Non-toxic, solvent-free, non-hazardous, non-flammable, VOC-free

Benefits

- Reduces friction and wear on moving parts, reducing jams and malfunctions
- Reduces operating temperatures, improves cycling functions
- Improves cold weather performance
- Excellent moisture and corrosion protection
- Great for long-term storage
- Perfect for everyday use

Applications

- Handguns, rifles, carbines, belt-fed, pump shotguns, lever, and rotary action
- Hunting, law enforcement, and military
- Compatible with single-shot, semi-automatic, and fully automatic firearms
- Use to lubricate bipod, tripod, and mounts
- Rifle bolts, triggers, and semi-automatic slides, and receivers

Health and Safety

Tufoil® Gun Grease is a very safe, solvent-free product. It is not classified as hazardous according to OSHA 29 CFR 1910.1200 and WHMIS. Not hazardous under the consumer product safety regulations. See the Safety Data Sheet for additional information.

Storage, Shipping and Handling

Always keep the unused product in the original container, tightly closed. Store in a cool, dry ventilated area. Avoid freezing and excessive heat during storage and shipping. DOT-classified as non-hazardous, can be shipped by air with no shipping restrictions. See the Safety Data Sheet for additional information.

Specifications and Approvals

Test	Rating
Appearance	Light green grease
Texture	Paste: smooth
NLGI	1

Test	Rating
Melting Drop Point	249°C (480°F)
Water Resistance	Excellent
Corrosion Resistance	Excellent
Made in USA	Yes

How to Apply

- Apply a small amount of Tufoil Gun Grease on a lint-free swab or applicator
- Sparingly apply a thin coat to moving parts, bolts, receivers, slides, etc.
- Apply to high load-bearing and high-pressure areas, areas benefitting from reduced friction, or where firearm manufacturer recommends the use of grease
- Remove excessive grease

Packaging

Part No.	Size	Container	Case Quantity
9921285	15 Gram (Net Wt 0.52 oz)	Jar	12
